

Digital Use Agreement

This agreement is to help you be responsible and safe using digital technology.

I agree to be a safe and responsible user of digital technology. I understand this includes using the internet, as well as digital devices such as mobile phones, iPads, iPods, tablets, computers and laptops.

1. I will make sure my parents know the passwords on my phone, devices and all accounts. I understand they have the right to look at my phone, devices and digital accounts any time they ask.
2. I will immediately answer calls from my family. If I miss a call, I will call them back.
3. I understand that my parents will set the times I can use my phone and devices and that they may set a start and end time for when I can use them each day.
4. I will protect my privacy by not giving out personal details online - including my full name, phone number, address, passwords and information about where I go during the day.
5. I will communicate with others in a respectful and supportive way. I will not post or forward inappropriate messages, comments or images.
6. I will think carefully before texting, sharing or posting online. I understand that people may see this as a personal reflection of me and it can affect my future reputation.
7. I will tell someone in my family if I experience something that makes me feel uncomfortable, bullied or unsafe online or via my phone.
8. I agree that I will not purchase anything online or enter a credit card without asking my parents first.
9. I will make an effort to use good phone and internet manners. I will turn off or silence my phone and devices when talking with another person and at meal times.
10. When I am old enough, I won't text and drive as I understand it's very dangerous.
11. I know that my parents are putting these guidelines in place because they care about me and want the best for me.

I agree to the above conditions. I understand that using the internet, my phone and digital devices are not a right, they are a privilege. There may be consequences if I choose to not follow this agreement.
